Appendix 5c

Restore the Lido	Concerns around levels of use and possible costs
Pigeon Lofts	Concerns about impact on ecology
Rare Breed Livestock Area	Could form part of grazing regime on Castlewood Field (this is being considered as part of Landscape Management actions)
Boating Area	Concerns that the ponds should promote ecology and boats may cause damage
Restaurant	Advice is that we are unlikely to attract a partner to operate a restaurant
Glamping Site	Consider as part of the Trekking centre (12)
Picnic Areas	Consider as part of the Landscape Corridor (6) , Ironworks Trail (2) and or Cwmybyrgwm Trail (11)
Ironworks Museum	Advice is that we are unlikely to attract a partner to operate a museum.
Winding Gear Memorial	Consider as part of Cwmybyrgwm Trail (11)
Health and Wellbeing Centre	Advice is that the site is unlikely to meet the health boards requirements
Restored Blaenavon Railway	Concerns about impact on cycle way
Office / Craft Workshops	Advice is that the site is unlikely to attract office users, but if demand increases a project could be considered in the NCB building area
Bird Hides	Consider as part of the Landscape Corridor (6) and Landscape Management (A-D) projects
Visitors Centre	Advice is that the site is unlikely to have sufficient footfall to sustain a visitors centre
Coarse Fishing Ponds	Concerns about impact on ecology
Bee Keeping Area	Could form part of the Community Food Forest Project (8)
Youth Centre / Youth Hostel	Would consider if approached by a provider
